Dear Dr. Lederberg:

We are now getting ready to announce
your lectures at the University of Chicago on November 4
and 7, and I am writing to ask whether the provisional
title that you gave in your letter of July 26 -- "Sexual
Reproduction and Genetic Recombination in Bacteria" --
may be used. This title sounds very attractive, but if
you wish some other would you kindly let me know as
soon as possible.

Yours very sincerely,
